Athletes

Learn the rules

In 10 hours, you will learn the rules of water polo and how they should be applied through interactive discussions, breakouts, and video analyses. You will even practice making calls from the comfort of your home.

This course is the first step to become trained as a regional referee. At the end of the course, you will also be certified as a minor official.

Register today

Ask questions or register now by contacting Dr. Andrews at e3andrew@uwaterloo.ca

You do not need to be a future referee to take the course. As a parent or spectator, the course will help you understand the game.
